

Special Project Zone

Smart Livestock Zone

In the livestock industry, the smart livestock is expected to solve many problems such as a shortage of producers (successors), production efficiency, crime prevention measures, and reduction of workloads. We will present the equipment and technologies that draw attention from visitors.

Sanitation Measures Zone

We will show hygiene products and equipment that are effective against various viruses for environmental and animal health.

Demonstration Area

In this area, you can present the mechanism, effects, and characteristics of products and equipment, and appeal the superiority of the products that cannot be shown in catalogs and videos to visitors.

*Application is available only for exhibitors. It is on a first-come, first-served basis. For more details, please contact the Secretariat Office.

Sponsorship (Supporter)

We offer the sponsorship that allow you to put your company name and logo on official printings and advertising signs in the exhibition hall. For details, please contact the Secretariat Office.
